GOOD GRIEF DEPT:

The Gryphon softball team was dealt a rather embarrassing defeat, being beaten by M-M B-3 by the score of 25-5. As the score indicates, the Gryphon defense could not do anything right.

Starting pitcher, Don Derse was knocked out of the box in B-3's big 14 run third inning. The Gryphon offense could not make up for the many fielding errors.

The game Thursday was a different story, when the Gryphons chalked another win. Even this was a hollow victory, however, since we won by forfeit when the opposition did not show up.

The Gryphon softballers carry a 2-1 record into Tuesday's game against B-1. It is hoped that a few more players will show up to support the cause. The team will meet in the Drinker parking lot at 4 o'clock sharp. Bring along some ball gloves; it has been experimentally determined that you can't win unless you can catch the ball!

A WISE WORD:

At the suggestion of Dean Leith, may I call your attention to a particular case under the Freshman Motor Vehicle Regulations. Although a Freshman is, in general, not permitted to operate a car while in residence, temporary permission to do so may be had from the Dean's Office and subsequently through the Office of Buildings and Grounds. Application for this temporary permit must be made in advance to Dean Leith. In the very exceptional case, however, when advanced notice is impossible, your short note of explanation to the Dean to cover the "unprotected" interim would avoid a great deal of trouble.

This is our last chance this year to submit a revised Constitution to the Student-Activities Committee.
